L6130	W.C 3 June 2019	2 Weeks	Pipeline Construction	Stop and Go

For more information, news and updates please visit [www.water.ie](http://www.water.ie)

Brookside	W.C 3 June 2019	2 Weeks	Pipeline Construction	Stop and Go
Ballylangley	W.C 3 June 2019	2 Days	Trial Holing	Stop and Go

## Traffic Disruption

VMS boards on Clonakilty Road, Macroom Road, N71 and Dunmanway Road have been erected to advise HGVs to use Bypass Road. They also advise that works are ahead, and that Bandon is Open for Business.

Ahead of road closures advanced warnings will be given through signage and advertisement on AA Road Watch and local Radio Stations. These works will be carried out in phases in order to reduce impact to businesses and residents. Local access will be maintained at all times.

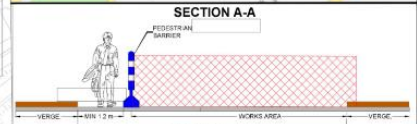

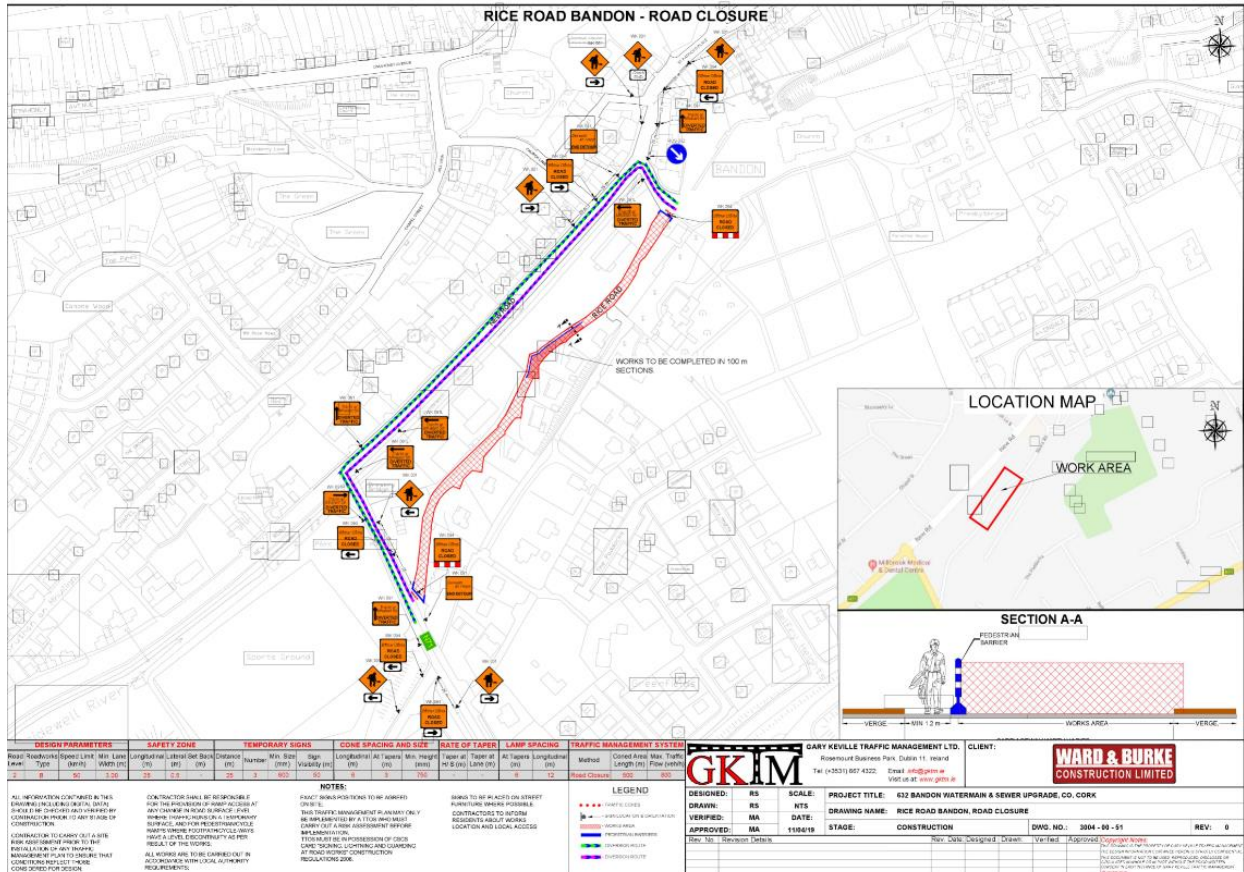

At all times Ward and Burke are in communication with the Local Area County Council Office for the co-ordination and planning of all road works.

### Stakeholder Engagement:

Ward and Burke Construction Ltd will have a full time Community Liaison Officer on the Project that will continue to communicate with all stakeholders and will be available to address and queries or concerns in relation to the works.

Contact details: 086 780 9964 or [bandon@wardandburke.com](mailto:bandon@wardandburke.com)
